

Keep Mona marching with a sponsorship or in-kind donation as the Krewe of Mona Lisa & MoonPie celebrates its 31st anniversary on January 31st, 2015!

The Krewe of Mona Lisa and MoonPie is Slidell's Original Walking Parade and a Northshore tradition since 1984. We promote the Arts, Olde Towne Slidell and Good Humor through our creativity and frivolity. We are thrilled to be able to introduce thousands of people each year to the heart of our city. The fact is it takes money to put on this free show and as an organization, we make every dollar count. In an effort to keep our bands, flambeaux and feet marching through our city center in 2015, we are recruiting individual and business sponsors. In exchange for your monetary support, we will advertise your business during the upcoming year. Mona would love to have you and your logo along for the ride.
